25X1A9a 3. Met with [REDACTED] of General Services, [REDACTED] of 25X1A9a
 25X1A9a CAO/DDP's Office, and [REDACTED] Chief of the Records Integration Division, to dis-
 25X1A9a cuss a Records Management Survey now in progress in the RI Division. It was agreed
 25X1A9a that [REDACTED] and his Assistant, [REDACTED] should proceed with this Survey, 25X1A9a
 25X1A9a working a minimum of two full days per week. Even at this rate it will probably be
 25X1A9a February before the Survey is completed. [REDACTED] is to furnish a full-time liaison
 man to work with them. I emphasized that differences of opinion should be settled
 on the spot where possible and that upon the completion of this Survey RI should be
 let alone for the foreseeable future.

4. Made arrangements to meet [REDACTED] and two of his assistants on Tues- 25X1A9a
 day, 25 November, to discuss Political and Psychological Warfare reproduction re-
 quirements. 25X1A9a

25X9A2 5. Discussed the new proposal for Group Health Insurance with [REDACTED] Gen-
 eral Counsel's Office, and Ed Saunders, as well as Mr. Wolf. Concluded that even
 though some [REDACTED] deep cover people in the Agency might eventually be without proper
 insurance as an over-all Agency proposition it was proper to proceed with the new
 plan. Instructed Messrs. Saunders and [REDACTED] accordingly. 25X1A9a

25X9A2 6. [REDACTED] of OSI telephoned to ask what action was being taken to pre-
 25X1A6a serve the DD/I elements of the [REDACTED] mission. I told him how this over-all prob-
 lem was proceeding but asked him to call [REDACTED] for further details. 25X1A9a

7. Asked Ed Saunders to prepare a reply to the latest letter from [REDACTED]
